

Sponsor & Exhibitors Brochure

On behalf of the European Academy of Childhood Disability (EACD) we are pleased to invite you for the 30th annual meeting from 28th till 31st of May 2018, in Hualing-Tbilisi, Georgia

The EACD annual meeting is a leading multidisciplinary meeting in the field of pediatric rehabilitation for children with a disability. This year the committee has suggested an open list of topics for free communications including epidemiology, screening and evaluation tools, study designs, outcome measures, integration of research and clinical practice, and best practice protocols. The ICF model will be favored.

Suggested topics also comprise social inclusion and participation, quality of life, family-centered care, nutrition, fitness and wellness, leisure activities, 'nothing about us without us', socio-economic and socio-cultural factors, coping with disabilities in resource poor countries, neurogenetics, epigenetics, multiple disabilities, ethical issues, innovations in technology, robotics, orthotics, surgery, interdisciplinarity, alternative vs conventional traditional treatment approaches, education, service organization.

And also: pain management, palliative care, mental health, sleep, epilepsy, motor control, hand function, mobility, gait, spasticity, dystonia, ataxia, bone health, feeding, intellectual disability, communication, vision, hearing.

A wide range of conditions will be of interest, including cerebral palsy, autism spectrum disorder, ADHD, Down syndrome, Tourette syndrome, spina bifida, neuromuscular disorders, tuberous sclerosis complex, Rett syndrome, mitochondrial diseases and other neurogenetic, neurometabolic and other neurodevelopmental conditions.

The theme of the international conference will be: "TOGETHER WE ARE STRONGER", focusing on the necessity of spreading European insights, knowledge and experience in post-Soviet and other low and middle income countries. Themes of the conference will be challenges and perspectives of ASD, Early Childhood Intervention, children at risk, neurodevelopmental co-morbidities, coping with Disabilities in poor resource countries.

Hualing-Tbilisi is recently built hotel with sufficient possibilities for exhibitions and conference. Located a 7-minute drive from Varketeli Metro Station, 15-minute from the Shota Rustaveli Tbilisi International Airport and 11 km away from the Tbilisi Central railway station Hualing-Tbilisi is in a newly developed Tbilisi Sea New city.

Tbilisi airport has direct flights to most of the European, USA, Middle East and Asian cities. The historic city of Tbilisi offers an excellent environment for a social program in a relaxing atmosphere.

Sponsor options

To make the 30th EACD affordable for professionals from wide range of countries sponsoring is essential.

The 30th EACD is welcoming sponsor contributions from organizations that have a demonstrated interest in promoting new developments in pediatric rehabilitation and whose values are consistent with the values of the European Academy of Childhood Disability.

The conference organizers reserve the right to make decisions about appropriate sponsors and to refuse sponsorship of organizations that do not match the values behind and the theme of the conference.

Sponsors will have no influence on the content of the scientific program. There is an opportunity to participate in the pre-conference symposia activities, satellite symposia or focus tracks. This will be in consultation with the president of the conference.

We welcome offers for unconditional sponsoring and also financial support for parts of the social program, like the welcome reception and the conference dinner
