Dear colleagues and friends,

On behalf of the local organizing committee, the scientific committee and the European Academy of Childhood Disability (EACD) we are pleased to announce the annual meeting of the EACD 2018, with the theme

**Together We Are Stronger.**

We will be very happy to welcome you in beautiful Tbilisi, Georgia, from 28 to 31 May 2018, or a little longer if you wish.

[www.eacd2018.net](http://www.eacd2018.net)

EACD 2018 in Tbilisi can set important bridges between...

1. European insights into, knowledge on and experience with all aspects of childhood disability and help to spread these throughout the South Caucasian region and beyond...
2. Experience of all neighboring countries for developing standardized approach to disability...
3. All specialties and subspecialties included in care for forming strong team approach... and between all of us!

The EACD is an academic association of professionals working with children with disability throughout Europe.

At present we have nearly 1000 members who are paediatricians, neuropaediatricians, physiotherapists, occupational therapists, speech therapists, psychologists, nurses, social workers and special needs teachers. Over 35 countries are represented.
